SELF-DISCOVERY PLANNER

Welcome, Beauty!
I'M JESSI HUNTENBURG.

**I'M THE MAGICKAL EDUCATOR, MYSTICAL MIND
WITCH, AND ZEALOUS CREATRIX BEHIND THE
WISE ONE SELF-DISCOVERY PLANNER!**

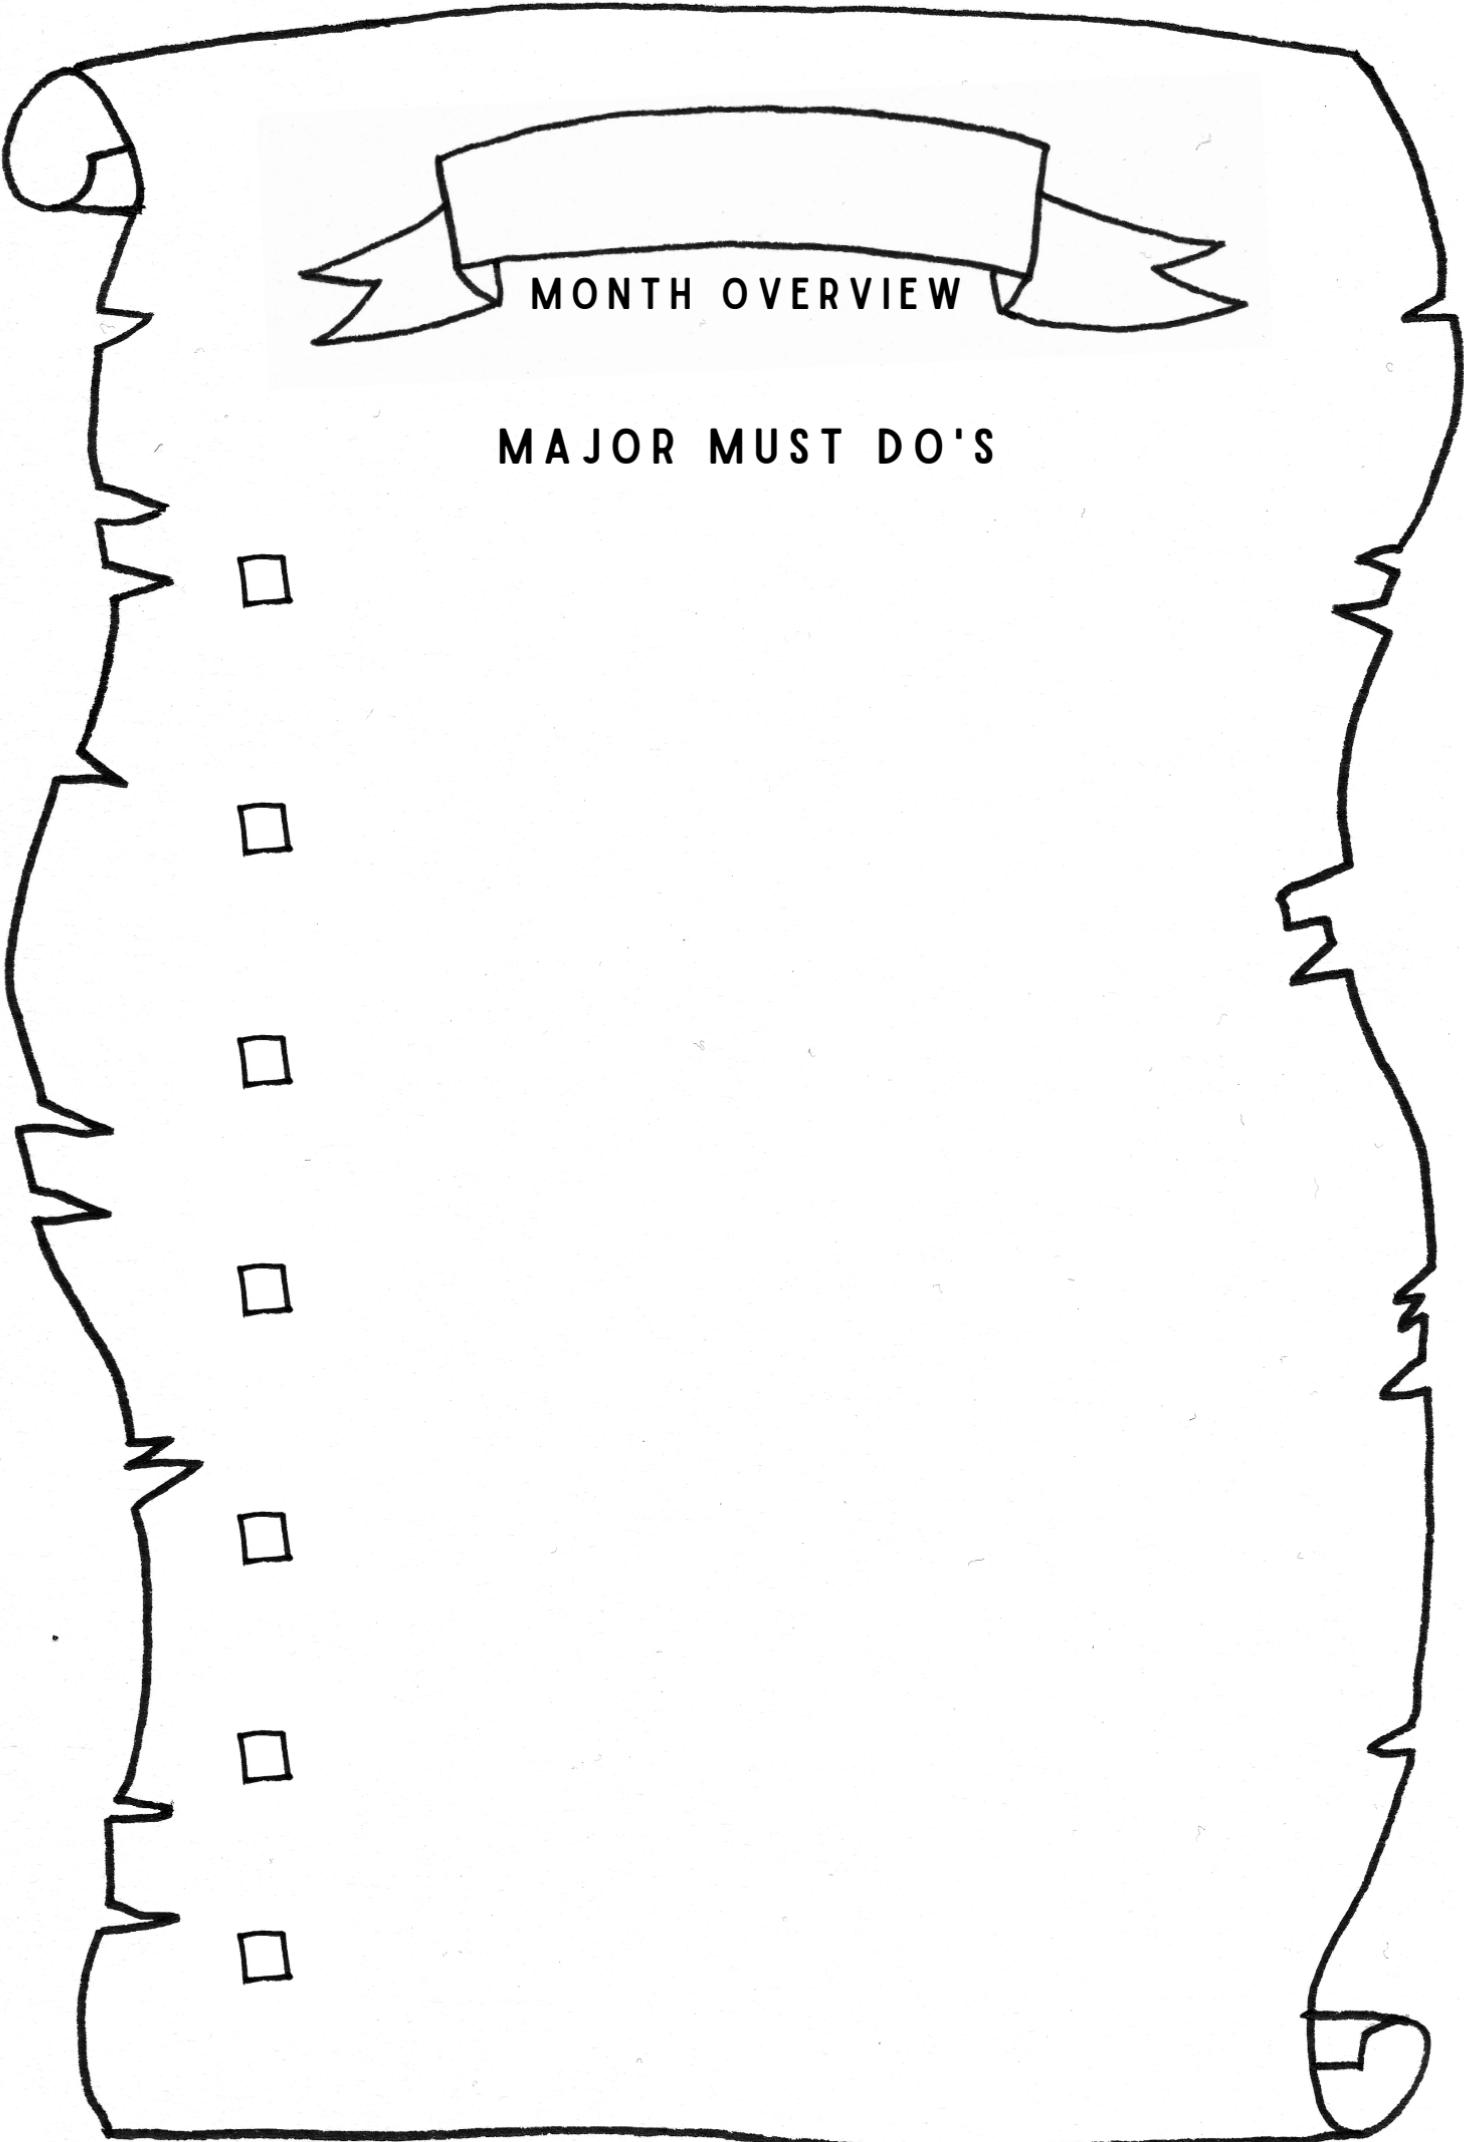

I created these pages to coax your genius into expression. To invite you to prioritize your delights with the same fervor you do your responsibilities. To remind you of your divinity. To help you blend your microcosm with the macrocosm so you may find balance and peace as you navigate the stresses and demands of the modern world. It is my deepest wish that this offering expands your mind as much as it grounds your being so you may embody your most fulfilling form!

Life is a series of thoughts, decisions, experiences, tasks, and gestures. What we do day to day largely forms our legacy. Planning helps us bring awareness to these tasks so we may consciously co-create this legacy--

WHAT WILL YOUR LEGACY BE?

What is my motivation? What gets me up in
the morning? What is my raison d'être?

setting boundaries and standing up for
myself?
